## PARENTS CODE OF CONDUCT

1. It is the parents' responsibility to have their child at the practice/game site on time. Parents should also be on time to pick up their child when the practice/game is over.
2. When attending a game or practice it is the parents responsibility to monitor the behavior of younger non-playing children.
3. Parents should never interfere with their child's coach. Any and all grievances should always be addressed first to the coach involved.
4. Parents should conduct themselves in a proper manner when attending games. NEVER yell demeaning remarks to officials, coaches or players on either team.
5. Encourage your child to always play by the rules.
6. Parents should recognize that an honest effort is the primary objective over winning and losing.
7. Remember that the goal of the game is to have the children learn the values of sportsmanship and teamwork.
8. Parents should always remember, no gossip.
9. Let's all have fun and create memories with our daughters.
